# GIUFA' AND TWO BRIGANDS

One day two brigands, armed to the teeth, barred Giufa's way and, brandishing along knife, threatened him:

-Either the purse or the life!

Giufa's legs trembled. He sat down and asked for a drink.

But, one of the two brigands  
said to him:

- Bring out the money, we  
won't give you any water!

Giufa calmed down and said:

- You are very lucky. I have a  
lot of money with me. But, I  
only want to give it to one of  
you. So, come to an  
agreement and tell me who  
to give the many to.

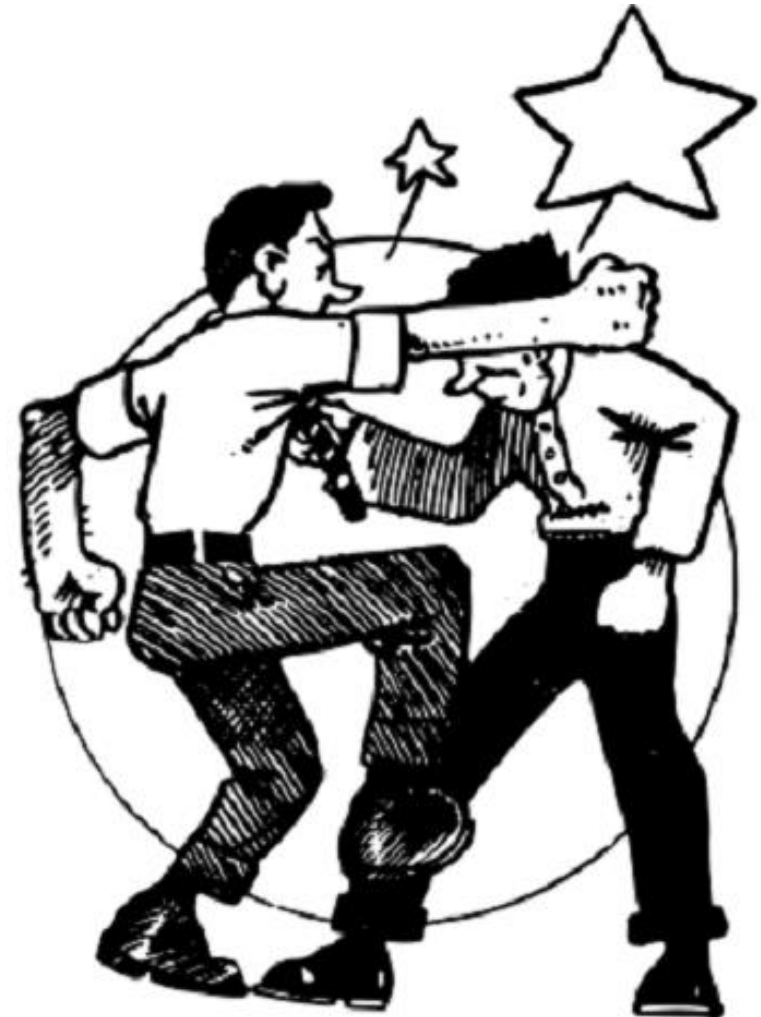

A brigand said:

- The money is my turn! I saw you first;

The other bandit said:

- But, I was the one who said that the right man to steal could have been you!

....The two brigands began to quarrel, and shout louder and louder.

Giufa' said:

- Since you don't agree, I will give the money to the one who is stronger between you!

A brigant said:

- If I want I can knock my partner down with a single punch!

The other raised his voice and said:

- I could smash his head with one punch, because I'm the strongest.

At the end, the two brigands fell to the ground tired and bloodied.

Giufa' ran away so far that they never found him
