What are the aspects that you considered very important for you, during the project's implementation, as a member of the target group? You may choose more than one variant.

 Copia

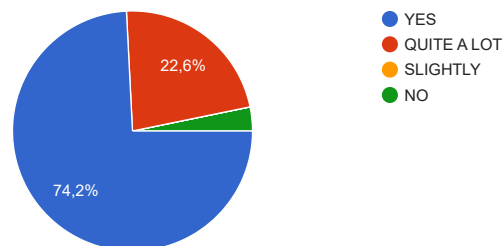

Through my participation in the project's activities, I improved:

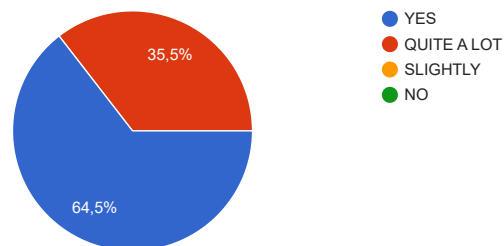

4. Taking into account your experience in the project's activities during its implementation, do you think that the activities that were carried out were interesting?

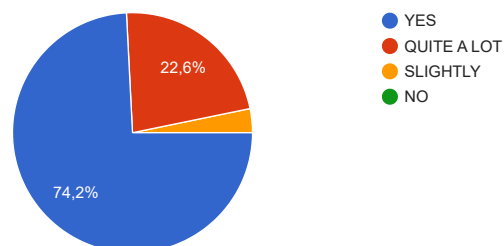

5. Were the activities during the project's implementation organised to achieve the project's objectives?

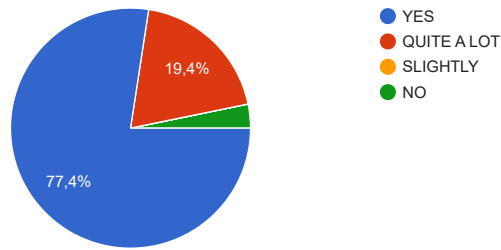

6. Taking into account your experience in the project, do you think that through the project's activities, the participants acquired the skills and competences that are relevant for their present and future lives and careers?

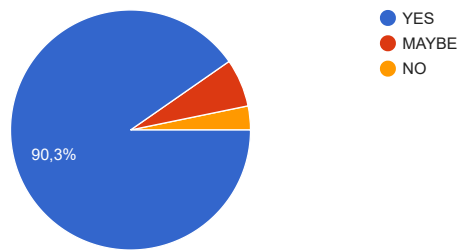

7. Do you think that students acquired high and relevant skills for their education and life through a topic like culture?

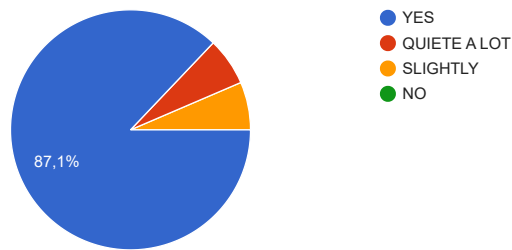

8. Do you think that the project has had a positive impact on the students and teachers from the five schools?

9. Do you intend to use in the future the experience you gained through the project's activities?

10. Taking into account your experience in the project, do you think that it important for students and teachers from your school or for schools in general, to implement Erasmus projects?

11. Will you take part, if possible, in the activities of another Erasmus+ project?
