VUCCIRIA

"Vucciria" by Renato Guttuso

Vucciria market in Palermo, Sicily

Vucciria Market is located in Piazza Caracciolo in Palermo, and is called from the French "Boucherie" (butcher's shop). In the last centuries, due to its proximity to the Fish Market, it was mostly known as a place to sell fish.

Today, unfortunately, Vucciria Market suffers from a sort of decadence and reminds us only remotely of its greater glory period, when Guttuso made it the subject of one of his magnificent paintings.
